 GitHub Profile - <https://github.com/shashi2024>

Motivated **IT undergraduate** at **SLIIT** with strong skills in **researching, project management, coordination, software and web development**. Experienced in **managing tasks, timelines, and collaboration** to **support successful project delivery**. Proficient in **programming languages and tools**, with a keen eye for **process optimization and technical support**. Known for **adaptability, problem-solving, and excellent communication** in fast-paced environments.

Education

- **Sri Lanka Institute of Information Technology** Jul 2022 - Present
 - Final Year Undergraduate - B.Sc. Hons. Information Technology Specialized in Information Technology
 - **Current GPA - 2.76**
- **Kalutara Balika National School** 2006 - 2020
 - GCE A/L examination 2020 - Combined Maths - C / Physics - C / Chemistry - C
 - Served as the **Head Prefect**, gaining valuable leadership experience and actively participating in **extracurricular activities**, including **sports**.

Projects

- **Mental Health Application and Admin Panel (Final Year Research)** July 2025 - April 2026
https://github.com/shashi2024/A_SMART_SINHALA_APP_FOR_DEPRESSION_MONITORING_AND_MENTAL_HEALTH_SUPPORT_USING_AI.git
 - Successfully published and presented a research paper at the CICN Conference, demonstrating research excellence and receiving the official Presenter Certificate.
- **Air Quality Predictor (Machine Learning Algorithm)** Jan 2026 - July 2026
https://github.com/shashi2024/Air_Quality_Predictor.git
- **Earthquake Predictor (Deep Neural Network Algorithm)** July 2025 - Sept 2025
<https://github.com/IT22000644/Seismic-GNN-Prediction.git>
- **Autonomous Navigation of TurtleBot3 Burger in Gazebo (ROS2 Jazzy)** July 2025 - Sept 2025
https://github.com/Nihara-R/turtlebot3_maze_navigation.git
- **Perfect-Recipe** Feb 2025 - May 2025
<https://github.com/pasindu110/Perfect-Recipe.git>
- **HealthPro (Enhanced Hospital Management System)** Feb 2025 - May 2025
<https://github.com/shashi2024/HealthPROWeb.git>
- **Hotel Management System** July 2024 - Dec 2024
<https://github.com/shashi2024/Y2S2project.git>
- **Image Detection Machine Learning Model** Feb 2024
https://github.com/shashi2024/ImageDetection_ML.git
- **Voice Emotion Detection Machine Learning Model** Feb 2024
https://github.com/shashi2024/VoiceEmotionRecognition_ML.git
- **Professional Projects (Company Projects)** Jan 2025 – Present
 - Wisk (Dubai) – Manual testing, and validated SAP-API integration
 - Sunshine Launderate (Sri Lanka) – Managed client communications, performed UAT/testing, and conducted user trainings with presentations.
 - Holivate (Sri Lanka) – Tested ERP integration with the booking website and Performance testing
 - Heal Lift (Sri Lanka) - Manual Testing for website, App and Admin Panel, Social Media Uploading
 - Company ERP & POS Systems – Assisted in testing, quality checks, and requirement clarifications, conducted UAT, and provided staff training for improved adoption.
 - Dimah Ceylon Tea and CTC Consumer Website - Conducted Performance Testing

Skills

- **Soft Skills** - Researching, Self-motivation, Innovation & Creativity, Stakeholder Management, Project Management, Problem Solving, Presenting, Relationship building, Open-mindedness, Planning & prioritization, Time Management
- **Programming & Development** - Java, JavaScript, Python, C#, HTML, OOP, Machine Learning, Deep Learning
- **Frameworks & Libraries** - React.JS, Express, Node.JS, ASP.NET, SpringBoot, Tailwind CSS, Flutter
- **Databases & Data Analytics** - MongoDB, MySQL, Oracle/PostgreSQL, Artificial Intelligence, PowerBI, Jupyter
- **DevOps, Cloud Testing** - Docker, GitHub, Azure, VMWare, Linux, Ubuntu, Selenium, JMeter, SonarQube, Postman

Experience

- **Quality Assurance Engineer** Jan 2025 - Present
ZinCat Technologies Pvt Ltd
 - Learned and **implemented automated testing** for improved efficiency and wider coverage.
 - **Conducted load testing** using **JMeter** to assess **system performance, stability, and responsiveness**.
 - Delivered **demonstrations** and **training sessions** for both clients and internal teams.
 - **Coordinated** projects to ensure **on-time delivery** and **compliance with quality standards**.
 - Continued previous responsibilities including **manual testing, client visits, UAT, API testing, and customer coordination, Project proposal creation**
- **Sales Assistant** Dec 2021 - Feb 2024
Marlbo Trading Company
 - Handled **customer support, follow-ups, invoicing, quotations, deliveries, and stock management** to ensure smooth sales operations.
 - Ensured **smooth business operations, resolved client concerns promptly, and enhanced customer satisfaction** through effective service.
 - Managed **multiple tasks effectively, prioritized deadlines**, and consistently met or exceeded **sales targets and performance expectations**.
- **Director & Charity Project Leader** Sep 2020 - Present
Leo Club of Royal Achievers
 - Led and coordinated **multiple award-winning charity projects**, including **The Winner** (Free Online Classes for Students), **Miyuru Handewa** (Music Program for Students), and **Raktha Jeewa** (Blood Donation Program).
 - Managed **project planning, budgeting, volunteer coordination**, and event execution to meet community service goals

Certificates

- **Artificial Intelligence Fundamentals** Course
- **Statistics** for Data Science Certification Course
- Foundation of **Project Management** Certification
- Foundational **C#** Certification Course
- Introduction to **Programming Using Python** Course
- **Software Testing** Certification Course
- **Oracle SQL** Certification Course
- **Microsoft Azure Fundamentals** Certification Course
- **AWS CI/CD Pipeline** Certification Course
- **Machine Learning with AI** Certification Course
- **Introduction to Neural Networks** Certification Course
- **Jira Project Management** Certification Course
- **ASP.NET MVC** Certification Course
- **Java Programming** Certification Course
- Introduction to **Unit Test** Certification Course
- **Docker** Intermediate Level Certification Course
- **SQL** Intermediate level Certificate
- **Cloud Computing Architecture** Certification Course

Languages

- English - Highly proficient in speaking and writing
- Sinhala - Native
